St Patrick's Day Party

March 13th
2:00pm
Main Street

Come check out our Library. This month we are featuring the Readers Digest Book Series. Our Library is located on the first floor next to Main Street.

March Birthdays

In astrology, those born between March 1–20 are Pisces, the Fish. Selfless, spiritual, and intuitive, Pisces swim an inner journey. They're emotional, compassionate people, always willing to help others. Those born from March 21–31 are Aries, the Ram. Rams are adventurous go-getters, full of enthusiasm, charm, and energy. They make dynamic pioneers and adventurers, undeterred when the going gets rough.

National Tater Day
March 31

Residents of the Month

Fran McGuire

Fran was born on August 15th and grew up in Northern Missouri on a farm with her family. Her father was a farmer, her mother was a schoolteacher, and she had two older brothers. As a child Fran remembers loving to ride the wagon into town with her parents to buy groceries. She also enjoyed attending school at a one room schoolhouse. Fran later married a gentleman who was in the service, so they lived in Frankfurt, Germany. Together they had two daughters and were married for 70 years. We asked Fran if she could have a superpower what superpower would she choose, and she stated that she, "just wants to make everyone happy."

Dick Forge

Dick was born on July 30th and grew up in Leavenworth Kansas with his brother, sisters and parents. As a child Dick enjoyed going to football games with his dad and brother and just playing around the house with his siblings. Dick later married and had four daughters. Dick told us that he was married for 53 years and that, "she was the perfect person and so very kind. There's no one like her." To keep busy Dick worked on the farm doing all the, "dirty work" Dicks favorite season is football season, and his favorite food is steak and rolls.

Mary Ann Hale

Mary was born on November 28th and grew up in Kansas City. Her favorite memory from her childhood was getting to be the flower girl at her aunt's wedding. Mary went to college at St. Mary's and got a degree in elementary education. She taught for a year and then went on as a sub because she became a stay-at-home mom. Mary got married to her husband, whom she was married to for 63 years, and together they had four children. Mary's favorite season is Fall because of all the beautiful leaves and the fact that the kids are going back to school. We asked Mary if she had any advice for us and she said, "Respect those older than you. Pray everyday and have God in your life. Make every day special."

Darsie Clark

Darsie was born on March 30th and grew up in Park Dale Arkansas with her parents and siblings. Christmas was her favorite thing about her childhood because her family would always get together. Her mom did all the baking and always made it special. Darsie loves Christmas so much that she even got married on Christmas. She married her high school sweetheart and together had three kids, who are all very close. Darsie's favorite food is anything sweet, which she blames on her mother because she was always baking her sweets as a kid and now, she just can't get away from them. We asked Darsie what superpower she would choose to have, and she stated, "I just want to be able to heal people."
