## Resident of the Month

### Ann Kralicek

Ann was born on August 20<sup>th</sup> and was born and raised in Kansas City, Missouri. She's lived here her whole life. Ann is the oldest of five and as a child her favorite thing to do was go and visit her grandparents in Chicago. She would get to go on the airplane by herself, which was exciting for her. Ann married her husband in 2012 to whom she met in a book club, and they eventually moved to Liberty, Missouri to be closer to friends. Ann's favorite season is a toss up between spring and fall, but she absolutely loves the fact that she gets to live where there are four different seasons. We asked Ann if she had any advice for the younger generation and she stated, "Do what you want to do in life!"

## March Birthdays

In astrology, those born between March 1–20 are Pisces. These Fish are spiritual types who feel comfortable in their introspective natures. As passionate, romantic, creative dreamers, they are charitable helpers who "go with the flow." Those born between March 21–31 are Rams of Aries. As the first sign of the zodiac, Arians charge out of the gate with energy, confidence, power, and zeal. As pioneers, Arians are unafraid of the unknown. For these eternal optimists, no odds are ever considered insurmountable.

She enjoyed playing ball, climbing trees, and riding her pony. Later in life Shirley was married for 27 years, ended up getting divorced, and says she is still on the hunt. She also has three children, one daughter and two sons. Shirley had a career as a senior human resource representative, which allowed her to travel to 40 states. Shirleys favorite season is Spring because the weather is warm and everything is growing. She also loves to travel to Florida because she loves the beach. We asked Shirley if she had any advice for the younger generation and she stated, "Have faith in Jesus."
