

Resident of the Month

Mary Deblase

Mary was born on November 10th and grew up in Kansas City, Missouri with her family. Mary has five sisters! As a child Mary loved to travel, out of the country being her favorite. Mary has been out of the country four different times and has been to Hawaii. She has also been on two or three cruises. Mary’s favorite season is summer. During this season you can catch Mary out in the courtyard because she loves to tan in the sun! Her favorite food is Italian food, lasagna to be specific, and she loves to do embroidery. If Mary had a superpower, she would want to help people because everyone needs it sometimes. We asked Mary if she had any advice for the younger generation and she stated, “stay in school and further your education.”

December Birthdays

In astrology, those born December 1–21 are Archers of Sagittarius. Archers are exciting and independent. Their positive attitude, great sense of humor, and kind heart make them excellent friends. But get ready for an earful. Archers often speak their mind. Those born December 22–31 are Goats of Capricorn. Goats are the most stable and sure-footed of astrological signs. Reliable, economical, practical, and organized, they make good multitaskers and politicians.
