Resident of the Month

Donald Springer

Don was born on August 25th on a farm located outside of Lynn Missouri. He never saw a doctor and was baptized at two days old in a church. His favorite memory as a child was earning his first bicycle. He cleaned up rabbit poop for a whole month just to get enough money to buy it. Don was a church server growing up because they lived right down the street from a church. In fifth grade he even got to serve midnight mass. Later in life Don met his wife in college and together they had three children. Don's favorite season is Fall because he loves Thanksgiving. He loves that this time of year makes you stop and think about what you're thankful for. Don's favorite food is mashed potatoes with creamy white gravy and never brown. We asked Don what advice he would give the younger generation and he stated, "Be true to yourself."

June Birthdays

In astrology, those born between June 1–21 are Gemini's Twins. The Twins represent energetic communication and interaction. Curious Geminis love to collect and share information. Witty and intellectual, they attract many friends, mentors, and colleagues. Those born between June 22–30 are Crabs of Cancer. Kind and protective, Crabs love to nurture others. While they may be emotional, they are never soft. Cancers are tenacious in their pursuit of domestic harmony.

Ann Rood

Ann was born on September 26th and grew up in Buffalo, New York on the canal of Lockport. She was an only child, and both of her parents were bank tellers, which is where they met. Ann's favorite memory as a child was going to Niagara Falls on Sundays for a picnic. She also enjoyed hiking with her dad and working with her grandmother in Story Town. Ann was married twice and has two sons from her second marriage. As an occupation Ann was a systems analyst for the military. Her favorite season is Fall, and she says that her favorite food is anything that doesn't eat her first. We asked Ann if she has any advice for the younger generation and she stated, "Stay away from materialism, and stay close to your family and friends."
