Residents of the Month

Don Binggeli

Don was born on October 2nd and grew up in Kansas City Kansas with his family. He is one of six children. His favorite childhood memory was going rabbit hunting with his father and his three brothers. After getting 40 to 50 rabbits they would sell them. Don ended up marrying the love of his life and was married for 65 years, they had four boys. As a career he spent 32 years at Owens Corning Fiber Glass and 9 years in the North Kansas City School District. Don also enjoys golfing and wishes he could have been a pro golfer. His favorite meal is steak smothered in onions and mushrooms, and his favorite dessert is cherry pie and ice cream. We asked Don if he has any advice for the younger generations and he stated, "Find a church and get involved."

April Birthdays

In astrology, those born between April 1–19 are Rams of Aries. As the first sign of the zodiac, Arians charge out of the gate with energy, confidence, power, and zeal. As pioneers, Arians are unafraid of the unknown. As eternal optimists, no odds are ever considered insurmountable. Those born April 20–30 are Bulls of Taurus. Bulls show a steady persistence in endeavors both professional and personal, and after working hard, are not shy about rewarding themselves for a job well done.

Patricia Fuller

Pat was born on July 30th and grew up in Flint Michigan. Her favorite thing to do as a child was to play outdoors. She says nothing beats being outside in the warm weather, which is why her favorite season is summer. When Pat was 20, she moved and then got married and lived in Mississippi. She also got to live in the Philippines for two years. Pat and her husband had three children, and she spent her time working at the Buick Motor Company doing office machines. Pat's favorite food is spaghetti and if she had a superpower she would want to travel anywhere without having to pay the cost of flights and hotels. We asked Pat if she had any advice for the younger generation and she said, "Be true to yourself and be nice to others."

Step back in time with us as we celebrate the fabulous 1950s all month long! Get ready for a month filled with rock 'n' roll music, classic movies, fun games, and plenty of sweet nostalgia. We'll be enjoying activities inspired by the decade of jukeboxes, soda fountains, and sock hops. You might hear legends like Elvis Presley and Buddy Holly playing as we travel back to a time of poodle skirts, drive-in movies, and good old-fashioned fun.

APRIL
 Be present.
 Let the day flow with grace.
 Expect joy. Be positive.
 Serve with compassion.
 Speak only kindness.
 Impart only love.
 Never forget you're not alone.
 Give thanks for everything.
 See goodness in others. *Mary Davis*

Care, Right Where You Live

Curana Health is here to provide primary care or help when you need urgent care.

Enjoy check-ups, medication management, screenings, specialist coordination, and more—all without leaving your community.

You can use Curana for sick visits without changing your current doctor—unless you choose to switch.

ALREADY HAVE A DOCTOR?

You can still see Curana providers for urgent needs like:

- Cold or Flu symptoms
- COVID-19 concerns
- Falls
- Minor injuries and more.

Using Curana for sick visits does not replace your current doctor.

Entertainment in April

Bob Cohen will be performing in Main Street on April 7th at 2:00pm

Gary Kirkland will be performing in Main Street April 16th at 2:00pm

We participated in the NKC Snake Saturday Parade again this year.

The weather was perfect! Organizers estimate there were 100,000 people in attendance!

We placed 9th and won \$500. This year's theme was "Kilts and Kicks," so we went with a giant soccer goal. The ball is 5 feet tall!
