July 1, 2025

The Clay County Public Health Center is pleased to congratulate you as a recipient of the Food Safety Excellence Award. This is based on your 2024 food inspection findings. This award recognizes outstanding performance in the areas of hygiene, cleanliness, and safe food handling practices. The Food Safety Excellence Award is based on substantial compliance with the Clay County Food Code, as demonstrated by highly rated inspection results throughout 2024. Your food establishment is one of 93 establishments in Clay County Public Health Center's jurisdiction that have earned the award this year, placing your performance in the top 12.3% of all food establishment permit holders.

The team at Clay County Public Health Center thanks you for being a valued food safety partner in our community. Your exceptional efforts in protecting public health by serving safe food to Clay County residents and guests are to be applauded. We wish you continued success in these efforts in 2025 and beyond!

The mission of the Clay County Public Health Center is to deliver the essential public health services of prevention, promotion, and protection to the communities of Clay County.
